Qualifying for Home Care

To qualify for home health services, you must have a medical need for the skilled services of a nurse or therapist to meet Medicare's definition of homebound. Homebound simply means that leaving the home requires taxing effort and that you therefore leave the home infrequently and for short durations. You can be temporarily homebound due to illness or injury.

Mission Statement

RenewCare Home Health is the provider of choice, bringing innovative patient-centered care and ensuring superior outcomes to patients and their families.

Benefits of RenewCare

RenewCare can help prevent rehospitalization, postpone institutionalization, and reduce the need for urgent care.

RenewCare visits on your schedule, in the comfort and privacy of your home. You can continue with your daily routine at home.

RenewCare offers one-on-one care personalized to your unique needs.

RenewCare costs less than hospital or facility care. Medicare pays 100% for qualified patients.

RenewCare reduces stress for patients and caregivers, while allowing patients to heal at home with their families and loved ones.

RenewCare promotes better outcomes. Studies show that many patients achieve better outcomes at home.

Patient Testimonials

Richard M.
(had services in 2019; rated RenewCare 10 out of 10.)
"Nurse Carla greatly improved my quality of life; my family loves her and thinks the world of her. She showed an extreme personal touch that you don't see much of these days."

Christa S.
(had services in 2017; rated RenewCare 10 out of 10.)
"Would highly recommend after a hospital or rehab stay. I would never let another Nurse come into my home besides Kelly! She has changed my life."

Thomas T.
(had services in 2018; rated RenewCare 10 out of 10.)
Called office to inform how impressed he was with Physical Therapist AJ. Stated "he has such a gift to heal people. Pushed him hard and showed major results."
